## UChicago: Then and Now

Since its founding in 1890, the University of Chicago has remained dedicated to innovative, creative, and fearless scholarly pursuits. While the ambitions and values of the institution have persisted, parts of the physical landscape of the University have changed dramatically. View the interactive “**Then and Now**” gallery highlighting notable locations on campus with archival photos placed alongside present-day images. ## Exploring Our Past Honoring Edward H. Levi

University of Chicago officials remember Edward H. Levi, the former UChicago dean, provost, and president who later served as U.S. attorney general. The UChicago community on October 14, 2013, rededicated its main administration building as Edward H. Levi Hall in his honor.

## Launching New Initiatives UChicago Urban Labs

As cities grow more rapidly than ever before, the University of Chicago's Urban Labs seek to address some of the world's most daunting urban problems. UChicago Urban Labs design and test the most promising urban policies and programs across five key areas: crime, education, energy and the environment, health, and poverty. To make an impact on the broadest scale, Urban Labs collaborate in real time with civic leaders and practitioners in Chicago and around the world.
