## Making a gift to the University of Chicago from Poland has never been easier.

The University of Chicago Foundation is a registered charity in the United Kingdom. This foundation has an agreement with the **Transnational Giving Europe** (TGE) network, which enables giving between a number of European countries, including Poland. As a result, residents of Poland can support the University of Chicago through the foundation while benefiting directly from the tax advantages provided by law in Poland.

## **HOW TO GIVE:**

The University of Chicago Foundation's TGE partner in Poland is the **Foundation for Poland**. Residents of Poland should make their donations to the University through the Foundation for Poland. Please contact the Foundation for Poland directly to make your gift, being sure to indicate that you would like your gift to support the University of Chicago Foundation in the UK.

The Foundation for Poland will issue you a tax receipt and make a gift on your behalf to the University of Chicago Foundation. Gifts made through TGE are subject to a 5%

fee imposed on the first €100,000 and then 1% on the remainder, up to a maximum fee of €15,000.

At the same time please inform the University of Chicago of your gift by completing and submitting the attached gift form using the most convenient means detailed therein. If you need additional information on how to make a gift, please contact the University of Chicago Foundation's administrator, Eileen Flood, at eileen\_flood@blueyonder.co.uk.
