

Making a gift to Chicago Booth from the United Kingdom has never been easier.

The University of Chicago Foundation is a registered charity in the United Kingdom. Residents of the United Kingdom can support the University of Chicago through the foundation while benefiting directly from the tax advantages provided by law in the United Kingdom. Your gift to the University of Chicago Foundation will be, in totality, transferred to Chicago Booth in the United States to support the specific program or initiative you identify.

HOW TO GIVE:

Please complete the gift form on the following page and send it to us using the most convenient means detailed therein. If you wish to make your donation by check, please include the check with the gift form. NOTES

1. I am a UK taxpayer and understand that if I pay less income tax and/or capital gains tax in the current tax year than the amount of gift aid claimed on all my donations, it is my responsibility to pay any difference.
2. Please notify the charity or CASC if you:

 - Want to cancel this declaration
 - Change your name or home address
 - No longer pay sufficient tax on your income and/or capital gains
3. If you pay tax at the higher rate of 40/45 percent, then you can claim additional tax relief on your self-assessment tax return. This relief currently equates to 20/25 percent of the gross donation.
