Re: Campus North Residence Hall and Dining Commons

The University will restrict parking along the east side of University Avenue from Wednesday, May 13 through Friday, through May 22, to allow for sewer connection work for the Campus North Residence Hall and Dining Commons project.

- Parking will be prohibited along that street Monday-Friday between 7 a.m. and 4:30 p.m.; overnight parking will not be affected.
- Signage and flaggers will be on-site when work is taking place.
