

Project Update

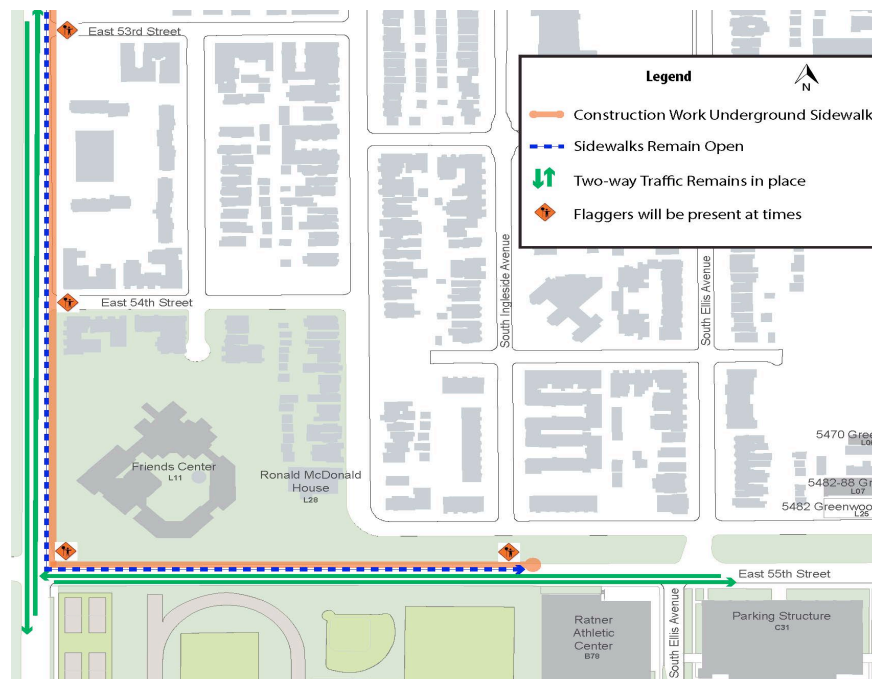

Date: July 1, 2014

Re: 5225 S. Cottage Grove Avenue

Construction activity will begin on Monday, July 7 to extend the fiber infrastructure to the new Facilities Services building. The work involves installation of conduit from the construction site at East 52nd St. and South Cottage Grove Ave. to East 55th St. and South Ingleside Ave.

The campus community can expect the following:

- Underground street borings and trenching will occur; see graphic below.
- Two-way traffic will remain in place and sidewalks will remain open.
- Signage and flaggers will be in place.
- Duration of the work is 3 weeks, weather permitting.
