RE: 58th and Ellis-pedestrian crossing

Construction crews will be on site beginning at 6 a.m. on Monday, July 7 to make corrections to elevations and to improve drainage to a section of pavement in the 58th Street and Ellis Avenue pedestrian crossing. This work will be noisy and dusty.

- Two-way traffic along Ellis will be maintained at all times, however, traffic will be narrowed to one lane at times with a flagger present.
- Pedestrians will be routed around the work area.
- The work is scheduled to complete by July 31, weather permitting.

Please direct questions to Patrick Wilson, project manager, at 773.230.5160 or wpwilson@uchicago.edu or Gavin Tun, director of project management, at 312.607.6654 or gavin1@uchicago.edu.

Thank you for your patience during this work.
