

PROJECT NOTIFICATION

DATE: June 6, 2017

RE: Edward H. Levi Hall-elevator modernization and repairs

Construction activity will start the week of June 12, to modernize and repair the north and south elevators in Edward H. Levi Hall. Working hours for this project are 8 p.m. to 6 a.m. The schedule to complete the work for each elevator is listed below.

North elevator: June 12th through Aug. 12th

South elevator: Aug. 12th through Sept. 30th

Note, the modernization to the south elevator will not start until the north elevator is fully operational.

The building occupants and visitors can expect the following:

- Access between floors using the stairs will be maintained.
- No construction will take place during the hours of 6 a.m. to 8 p.m.
- Vehicles will be on site at the designated loading dock during construction working hours.
- Testing of each elevator will occur as repairs near completion.
- Signage will be in place at each floor during elevator repairs.

Please note:

- 1) If an elevator becomes non-operational, please contact the Facilities Services service center by calling 4-1414.
- 2) If a person requires assistance with exiting the building at any time, please contact UCPD by calling 123 from a desk telephone or 773.702.8181.

Please direct questions to Richard Wrigley, project manager at rwrigley@uchicago.edu or 312.607.9567, or Larry Blouin, executive director at lblouin@uchicago.edu or 773.230.3261.

Thank you for your patience during this work.
