RE: Ryerson Waterproofing Repairs

Crews will execute repairs at the Ryerson Hall loading dock beginning at 7 a.m. Wednesday, Oct. 22. The work is scheduled to be complete by Wednesday, Oct. 29, weather permitting. The campus community can expect the following during this period:

- Existing caulk will be removed from the foundation at the loading dock and new sealant will be installed.
- The work will generate intermittent noise and dust, at times.
- Machinery and vehicles will be visible on the main quadrangle during this period.
- The work will take place between 7 a.m. and 4 p.m.
