U.S. PRESIDENTIAL ELECTION

Burning the House Down – A 2020 Election Eve-Reality Check

Will Donald Trump and populism continue to threaten democracy if elected in 2020 or will Joe Biden bring normalcy back to the presidency and keep our democratic house from burning to the ground?

Just days before the election takes place, Professors William Howell and Terry M. Moe, co-authors of the recently released book, *Presidents, Populism and the Crisis of Democracy* will address how democracy can be preserved despite the growing threat of nationalism and populist leaders throughout the world.
