**Unloading**

Cars may line up on either side of 59th Street between Blackstone and Harper Avenues. Students known as House Orientation Aides will be available to assist you upon arrival to ensure that the move-in process runs as smoothly and quickly as possible. The House O-Aides will be wearing special T-shirts to help you identify them. They can help you unload your car and carry boxes to your new room.

Taxicabs should be directed to drop off passengers on the corner of 59th Street and Blackstone Avenue. Taxicabs coming from the airport should follow the direction above via I-94. At 59th and Blackstone, you can exit the cab and an Orientation Aide will direct you to the front desk to check-in.

**Parking**

After unloading all your belongings, you will be instructed to immediately move your car to make room for the next arriving student. You should explore the surrounding neighborhood for street parking. Please be patient, as the area can be more crowded than usual due to move-in.

**What to Expect When You Arrive**

In addition to helping you move your belongings, House O-Aides will be on the curb in front of Breckinridge to help answer questions and provide general assistance. They can point you towards the check-in station, which will be located directly inside Breckinridge Hall. There, you will be able to pick up your keys, learn how to get to your new room, and receive instructions for the rest of the day. You will have time to unpack before needing to do things like pick up your Orientation Book, get your student ID, and pose with your fellow students for your class picture.

While moving in, you are likely to run into your Resident Heads and RAs as they will be walking around welcoming people to the House and answering any questions. Be sure to introduce yourself and your family to them. There will also be signs directing you to the Resident Head apartment in your House so that you know where to find them when you need them.
