WELCOME DINERS

Residential dining is a cornerstone of College Houses. The dining program provides healthy, well-prepared meals in community-based dining halls while also providing the flexibility desired by students like you with a demanding academic schedule. Each House has a designated House Table in one of the two dining commons so you always have a place to eat with friends from your House.

MEAL PLANS

All students of College Houses are assigned a Meal Plan. First-year students are assigned to the Unlimited Meal Plan, regardless of the type of room they are assigned to live in. Upperclass students who live in a single or double room are assigned to the Unlimited Meal Plan, but may change to the Phoenix Meal Plan during meal plan change periods. Upperclass students who live in an apartment are assigned to the Apartment Meal Plan, but may change to the Phoenix or the Unlimited Meal Plan during meal plan change periods. Upperclass students may change their meal plan through Friday of the first week of each quarter by 4:30pm. These changes can be made in person at College Housing or at the UChicago Dining Office. Meal plan changes or cancellations are not permitted mid-quarter. Your academic year meal plan begins with dinner on Friday, September 27, 2013. You may also begin to use your Maroon Dollars on this date. There is a separate Orientation Week meal plan for incoming students from September 22 - September 27, 2013.

UNLIMITED MEAL PLAN
An unlimited number of visits to the dining commons, $100 Maroon Dollars per quarter, 3 meal exchanges per quarter, 5 guest swipes per quarter, costs $5436 per year or $1812 per quarter

PHOENIX MEAL PLAN
150 visits to the dining commons per quarter, $150 Maroon Dollars per quarter, 15 meal exchanges per quarter, 5 guest swipes per quarter, costs $5436 per year or $1812 per quarter

APARTMENT MEAL PLAN

MAROON DOLLARS

Maroon Dollars are accepted in all campus dining locations (residential dining commons, retail venues, and the Student Run Cafés). Maroon Dollars work like a debit card; each time a purchase is made, the money is subtracted from your account. One Maroon Dollar has the buying power of $1. Maroon Dollar balances remaining at the end of each quarter roll over to the next quarter; however, all Maroon Dollars expire at the end of the academic year, and any remaining balance is not refundable. You may wish to purchase additional Maroon Dollars beyond that which is offered with your meal plan. Additional Maroon Dollars can be purchased in amounts of $25 from the UChicago Dining website, the UChicago Dining office, or College Housing. If your student status changes to that of being on a leave of absence or withdrawing from the university, you will not be able to access your Maroon Dollars (meal plan or purchased) and any balance at that time is also not refundable. If you purchase additional Maroon Dollars, you may receive Bonus Maroon Dollars.

Purchase $100 - $249 = receive 5% bonus Maroon Dollars
Purchase $250 or more - receive 7.5% bonus Maroon Dollars

For example, a purchase of $100 Maroon Dollars will generate a bonus of $5 and therefore the total amount of Maroon Dollars in your account will be $105. A purchase of $400 will generate a bonus of $30 and the total Maroon Dollar balance will be $430.00

GUEST PRICES

FAQ

What if I have food allergies?
If you have questions about how to manage your food allergies, UChicago Dining and College Housing are committed to working with you to meet your needs. Please contact College Housing at collegehousing@uchicago.edu with questions.

What are Meal Exchanges?
Meal Exchanges allow for one meal plan swipe to be exchanged for a “combo meal” in any of the retail operations (except the Student Run Cafés and Barnes and Noble).

What are Guest Swipes?
You have 5 guest swipes per quarter. When a student is using a meal swipe to provide a meal for a guest, that student must be present with their guest(s) and use their UChicago ID Card to swipe them through the line. Students may not transfer their UChicago ID Card to another student in order for that student to access their meal plan. The Off Campus Meal Plan does not have guest swipes.

How does my meal plan work?
Your meal plan account information is encoded directly onto your UChicago ID Card. Simply present your UChicago Card to the Campus Dining Services cashier for entry into a dining commons. Our dining commons offer the convenience of continuous dining. You will enjoy all-you-care-to-eat dining from the time the dining commons is open until they close. You simply present your ID each time you enter to provide your access. Unless you are on the Unlimited Meal Plan, you will have one visit deducted from your meal plan total each time you enter.

Will my meal plan include Late Night Dining?
All meal plans include a Fourth Meal option. Fourth meal is offered from 9pm to midnight, Monday - Thursday evenings starting on Monday of the second week of each quarter. Those students on a meal plan can use one of their visits to pay for dining. Those students who have Maroon Dollars will be able to pay the breakfast door rate of $7 to eat their Fourth Meal.

What if I have additional questions?
