Unloading

Because the entrances to Snell-Hitchcock are all located on the main quads, it is not possible to drive to the front door. **The car line will begin on 57th St. Ellis Avenue, headed east, toward University Avenue.** Upon arrival, please join the end of the line. By doing so, you will soon be able to unload right in front of the pedestrian gate next to the building (note: if you followed the driving directions above, you should end up at the end of the line). Please know that there will be copious signage directing you, as well as House Orientation Aides…or just look for the dancing armadillo (Snell-Hitchcock’s mascot)! The House Orientation Aides will be available to assist you upon arrival to ensure that the move-in process runs as smoothly and quickly as possible. The House O-Aides will be wearing special t-shirts to help you identify them. They can help you unload your car and carry boxes to your new room. In order to avoid running the meter while waiting in line, taxicabs should be directed to drop off passengers at the corner of 57th Street and Ellis Avenue, on the southeast corner of the intersection. Students should walk east along 57th Street, and enter the quad in front of Snell-Hitchcock via the pedestrian. Taxicabs coming from the airport should follow the direction above via I-94. Please remember that Snell-Hitchcock does NOT have elevators. Please be thoughtful about packing boxes and bags so that the O-Aides can help carry them upstairs to your room.

Parking

After unloading all your belongings, we ask that you immediately move your car from 57th Street to make room for the next arriving student. There is a parking structure nearby at 55th and Ellis, as well as street parking all over the neighborhood. Additionally, upon check-in, you will receive a copy of the Family O-Book which will have parking options on a map on the back cover. The O-Aides and University Police Officers can help you with directions or suggestions if you need them at that time. Please be patient, as the area can be more crowded than usual due to move-in.

What to Expect When You Arrive

In addition to helping you move your belongings, House O-Aides will be available throughout the building to answer questions and provide general assistance. They can point you towards the check-in station, which will be located directly inside Snell-Hitchcock. There, you will be able to pick up your keys, learn how to get to your new room, and receive information for the rest of the day. You will have time to unpack before checking in for Orientation during the afternoon.

While moving in, you are likely to run into your Resident Head(s) and RA(s) as they will be walking around welcoming people to the House and answering any questions. Be sure to introduce yourself and your family to them. There will also be signs directing you to the Resident Head apartment in your House so that you know where to find them when you need them.

Resident Masters, faculty members who live in the Residence Halls, strive to make the intellectual life of the University and the cultural life of Chicago part of the daily lives of their student residents. The Snell-Hitchcock Resident Masters – Larry and Penny Rothfield – look forward to welcoming you after you have moved in at a reception for students and their families. Please look for signs directing you to the appropriate location and time.
