Unloading

In order to facilitate a smooth and orderly flow into the building, **cars will be lined up** and students will be able to unload in the order in which they arrive. **The car line will extend from the Stony Island parking lot out along the eastbound lane of 57th Street.** Upon arrival, please join the end of the line. By doing so, you will soon be able to unload near the front of the building (note: if you followed the driving directions above, you should automatically arrive at the end of the line). Students known as **House Orientation Aides** will be available to assist you upon arrival to ensure that the move-in process runs as smoothly and quickly as possible. They will be wearing special t-shirts to help you identify them. House O-Aides can help you unload your car and carry boxes to your new room. In order to avoid running the meter while waiting in line, students arriving by taxi may unload on South Stony Island Avenue, just south of 57th Street and directly in front of Stony Island House. Taxicabs coming from the airport should follow the direction above via I-94. At Stony Island Avenue, you can exit the cab and an Orientation Aide will help you unload and direct you to the check-in area.

Parking

After unloading all your belongings, we ask that you immediately move your car from the Stony Island parking lot to make room for the next arriving student. Make a right out of the parking lot and then turn left or right at the light onto Stony Island Avenue. Street parking should be available on Stony Island Avenue. Additionally, upon check-in you will receive a copy of the Family O-Book, which will have parking options on a map on the back cover. Please be patient, as the area will be more crowded than usual due to move-in.

What to Expect When You Arrive

In addition to helping you move your belongings, House O-Aides will be posted around the building to answer questions and provide general assistance. They can point you towards the check-in station, which will be located directly inside Stony Island House. There, you will be able to pick up your keys, learn how to get to your new room, and receive information for the rest of the day. You will have time to unpack and have lunch before attending Class Day activities where you will check in for Orientation and get your Chicago Card.

While moving in, you are likely to run into your Resident Heads and RA as they will be walking around welcoming people to the House and answering any questions. Be sure to introduce yourself and your family to them. There will also be signs directing you to the Resident Head apartment in your House so that you know where to find them when you need them.
