

Imaginary Plane Notification Requirements for UCAN Heliports

Environmental Health and Safety

General Requirements

Crane operations of height greater than the imaginary plane below shall submit notification to the Federal Aviation Administration.

Imaginary plane extends outward and upward in **any direction** at a slope of 25 to 1 for a horizontal distance of 5,000 feet from center of either UCAN Heliport. The heliports are located at 5815 South Maryland Avenue on the 7th floor of Mitchell Hospital, 90 feet above ground level, and at 5700 South Maryland Avenue atop the New Hospital Pavilion along west side of the building and is 213 feet above ground level.

It is the responsibility of the contractor to make provisions for any difference in height elevations of the crane location in relation to the location of the UCAN heliport, when necessary.
