Life after CAM: Things I am glad/wish I learned in school

Tuesday, February 9, 2021, 3:00 PM (Chicago Time)
Zoom Meeting ID: 972 4989 6395
Password: 673056

ABSTRACT

As a recent graduate of the CAM master's program, I offer my two cents about working in the biotech industry. Please join me for an informal discussion about the kinds of skills and tasks you may be expected to hold and carry out at a company after grad school, as well as aspects of CAM and academia in general that will help you succeed in the private sector.
