

# Making a gift to the University of Chicago from Germany has never been easier.

The University of Chicago Foundation is a registered charity in the United Kingdom. This foundation has an agreement with the **Transnational Giving Europe** (TGE) network, which enables giving between a number of European countries, including Germany. As a result, residents of Germany can support the University of Chicago through the foundation while benefiting directly from the tax advantages provided by law in Germany.

---

## HOW TO GIVE:

The University of Chicago Foundation's TGE partner in Germany is **Maecenata International**. Residents of Germany should make their donations to the University through Maecenata International. Please contact Maecenata International directly to make your gift, being sure to indicate that you would like your gift to support the University of Chicago Foundation in the UK.

Maecenata International will issue you a tax receipt and make a gift on your behalf to the University of Chicago Foundation. Gifts made through TGE are subject to a 5% fee imposed on the first €100,00 and

then 1% on the remainder, up to a maximum fee of €15,000.

At the same time please inform the University of Chicago of your gift by completing and submitting the attached gift form using the most convenient means detailed therein. If you need additional information on how to make a gift, please contact the University of Chicago Foundation's administrator, Eileen Flood, at [eileen\\_flood@blueyonder.co.uk](mailto:eileen_flood@blueyonder.co.uk).
