

## Making a gift to the University of Chicago from Luxembourg has never been easier.

The University of Chicago Foundation is a registered charity in the United Kingdom. Luxembourg law allows tax-efficient gifts to any United Kingdom charity. As a result, residents of Luxembourg can support the University of Chicago through the foundation while benefiting directly from the tax advantages provided by law in Luxembourg. Your gift to the University of Chicago Foundation will be, in totality, transferred to the University of Chicago in the United States to support the specific program or initiative you identify.
