

Making a gift to Chicago Booth from Belgium has never been easier.

The University of Chicago Foundation is a registered charity in the United Kingdom. This foundation has an agreement with the **Transnational Giving Europe** (TGE) network, which enables giving among a number of European countries, including Belgium. As a result, residents of Belgium can support Chicago Booth through the foundation while benefiting directly from the tax advantages provided by law in Belgium.

HOW TO GIVE:

The University of Chicago Foundation's TGE partner in Belgium is the **King Baudouin Foundation**. Residents of Belgium should make their donations to Chicago Booth through the King Baudouin Foundation. Please contact the King Baudouin Foundation directly to make your gift, being sure to indicate that you would like your gift to support the University of Chicago Foundation in the UK.

The King Baudouin Foundation will issue you a tax receipt and make a gift on your behalf to the University of Chicago Foundation. Gifts made through TGE are subject to a

5 percent fee imposed on the first €100,000 and then 1 percent on the remainder, up to a maximum fee of €15,000.

At the same time, please inform Chicago Booth of your gift by completing and submitting the attached gift form using the most convenient means detailed therein. If you need additional information on how to make a gift, please contact the University of Chicago Foundation's administrator, Eileen Flood, at eileen_flood@blueyonder.co.uk.
