Fall 2021 Faculty Affiliate Funding Opportunities

CSRPC Faculty affiliates may apply for faculty grants for ongoing or new research projects, programming initiatives, and conferences. We hope to distribute up to $20,000 in grants each quarter. These grants may serve as seed money for projects ultimately requiring larger grants from outside sources or they may cover the entire costs of a project. All affiliates are encouraged to apply. Preference will be given to junior faculty, postdoctoral fellows, and faculty affiliates who are most active in the life of the Center. Applications will be reviewed by a committee of CSRPC faculty affiliates.

Grant amounts:

- Up to $2,500 for Transdisciplinary Research Ideas Incubator Projects (TRI2)
- Up to $5,000 for individual research projects
