University of Chicago Juneteenth 2022 Celebration
Request for Proposals

Please include the following information in your application:

- Proposal title
- Project overview: What is your proposed project, activity, or event? What inspired this idea, and how do you plan to accomplish it? [up to 250 words]
- Project description: What are the different components of your project or activity? Why is this proposal significant to you, your department, program, division, or the broader University? How will this project engage members of the University of Chicago community around the legacy of the Juneteenth holiday? [250 words]
- Project implementation: How will you accomplish your goals? What is your timeline? What resources, people, equipment, etc. will be in place or provided by this grant to overcome potential roadblocks? [250 words]
- Budget: How much money are you requesting, and how will it be allocated? [250 words plus budget template]
