Re: Underground IT cabling installation

On Monday, July 31, crews will be at 58th Street and Woodlawn Avenue to start the installation of underground communication cables. Scheduled completion is by Saturday, Aug. 5, weather permitting. Please see the below graphic showing the work site.

The campus community can expect the following:

- Fencing will be in place surrounding the construction site.
- The sidewalk along the west side of Woodlawn Avenue at 58th Street will be temporarily closed.
- Access for truck and vehicle deliveries, and emergency vehicles is 58th and University, only, during construction.
- Signage will be in place to direct pedestrians around the west side of the work site.
- Traffic lanes, and buses and shuttle routes, and crosswalks will remain open along Woodlawn Avenue.
- Daily working hours are 8 a.m. to 4 p.m.
