

# THE UNIVERSITY OF CHICAGO

Dear UChicago Alumni,

UChicago's undergraduate career services office would like to invite you to an in-depth presentation on the Jeff Metcalf Internship Program on **Monday, August 20, 2018 from 12:30 to 1:30pm at The Square, 4/F, Exchange Square II, Central.**

The University is asking the UChicago community in Hong Kong for assistance in finding internships for UChicago undergraduates. Beijing, Hong Kong, Shanghai and Shenzhen have become the most popular destinations outside of the U.S. for UChicago students seeking international internships. This summer, the University's flagship **Jeff Metcalf Internship Program** provided more than 100 substantive, paid internship opportunities in Greater China. Many of these internship opportunities are possible because alumni, parents and University friends agree to host students as interns at their organizations.

Please join us to learn more about the Metcalf Program, and how alumni can find new talent for their companies and contribute to students' professional success by hiring a summer Metcalf Intern. Register [here!](#)

Sincerely,  
Chiara
