

Tentative Schedule

Symposium Title: Interventional Radiology Practice in the United States and East Asia

Day 1 (January 19, 2018)

08:30-08:45	Introduction: Accountable Care, Patient Safety, and SQR	Thuong Van Ha, MD (US)
08:45-09:00	Welcome, Program Overview and Objectives	Lilian Leong, MD (HK)
Session 1: Impact of Interventional Radiology on Safety and Quality Review		Moderator: Jonathan Lorenz
09:00-09:30	Key Note: Impact of Minimally Invasive Procedures on Health Care	Brian Funaki, MD (US)
09:30-10:00	Impact of Value-Based IR: US perspective	Jonathan Lorenz, MD (US)
10:00-10:15	Hong Kong Hospital Authority Mechanism for the Safe Introduction of New Procedures (HAMSINP)	Chau-Mau Leung, MD (HK)
10:15-10:30	From Health Care Financing to Decision Making in Interventional Radiology in Hong Kong Public Hospitals	Lik-Fai Cheng, MD (HK)
10:30-11:00	Break	
11:00-11:30	Tracking IR Quality: Korean Perspective	Jin Wook Chung, MD (Korea)
11:30-12:00	Tracking IR Quality: Stroke Care, Singapore Perspective	Wickly Lee, MD (Singapore)
12:00-12:30	Methods of Reimbursement: Impact on Quality	SK Lee, MD PhD (US)
12:30-13:30	Lunch for all participants	

(cont'd)

Day 1 (January 19, 2018)

Session 2: Quality Standards and Improving Outcomes of IR Procedures

Moderator: Danny Cho

13:30-14:00	Image Guided Interventions: Tools and Tricks to Lead to Improved Accuracy	Cheuk-Man Chu, MD (HK)
14:00-14:30	Impact of IR management of Acute Stroke on US Health Care	SK Lee, MD PhD (US)
14:30-15:00	Neurointerventional Radiology Practice in Taiwan	Chung-Wei Lee, MD, PhD (Taiwan)
15:00-15:30	Impact of IR on Treatment of Liver Tumors: Japan's perspective	Yasuaki Arai, MD (Japan)
15:30-16:00	Break	

Session 3: Management Issues in IR: Multi-Disciplinary Team Approach for QI

Moderator: SK Lee

16:00-16:30	Improving IR Practice, Hong Kong: Are IR Wards and Clinics the Way Forward?	Kevin Wong, MD (HK)
16:30-17:00	Departmental Metrics for Quality Assessment	Stefanie Manack (US)
17:00-17:30	Vascular Malformations: Why Team Approach Is Needed	Jonathan Lorenz, MD (US)
17:30-18:00	Abdominal Intervention Standards in Taiwan	Po-Chin Liang, MD (Taiwan)
18:00	End of Day 1	
19:00-21:00	Dinner for Invited Speakers and Organizers	

(cont'd)

Day 2 (January 20, 2018)

Session 4: Expanding IR Practice to Improve Hospital Outcomes Moderator: JW Chung

08:30-09:00	Percutaneous Enteric Access: IR versus GI and Surgery	Jonathan Lorenz, MD (US)
09:00-09:30	Treatment for Critical Limb Ischemia: Singapore Standards	Kiang Hiong Tay (Singapore)
09:30-10:00	Endovascular Brachytherapy for Portal Vein Thrombosis	Zhiping Yan, MD (China)
10:00-10:30	IVC Filter Use and Retrievals: US Standards and Guidelines	Thuong Van Ha, MD (US)

10:30-11:00 Break

Session 5 Extreme IR Case Series Moderator: Deyond Siu

11:00-11:20	Interventional Neuroradiology	SK Lee, MD PhD (US)
11:20-11:40	Non-Vascular Interventions	Po-Chin Liang, MD (Taiwan)
11:40-12:00	Vascular Interventions	Kiang Hiong Tay (Singapore)
12:00-12:20	Interventional Oncology	Yasuaki Arai, MD (Japan)
12:20-12:40	Stroke Intervention	Chung-Wei Lee, MD PhD (Taiwan)
12:40-13:00	Biliary Interventions	Zhiping Yan, MD (China)
13:00-13:05	Closing Remarks	Thuong Van Ha, MD (US)

13:05-14:00 Lunch for participants

END
