

**Mr. Mike Lai*****PDDR (HKPU), MSc******Senior Radiographer, Department of Radiology,
Hong Kong Children's Hospital***

Mr. Lai is a senior radiographer for the commissioning of the Hong Kong Children's Hospital. Mr. Lai graduated with distinction from the Institute of Medical and Health Care of the Hong Kong Polytechnic University. He obtained his master degree in MRI imaging from the University of Ulster. He is a Fellow of the Hong Kong College of Radiographers and Radiation Therapists and he is currently the council member and director of the CT Faculty of the College.

Mr. Lai has special interests in CT and MRI. He has been invited as part time lecturer of the University of Hong Kong, the Hong Kong Polytechnic University, Macau Polytechnic Institute and the Chinese University of Hong Kong to deliver lectures on CT and MRI imaging.

As an invited speaker, Mr. Lai has presented lectures on a wide spectrum of topics including CT angiography of the lower limb, CT brain perfusion, pelvic MRI imaging, radiation dose reduction and optimization of contrast medium.

Local published work includes original articles on topics of emission tomography and direct radiography systems. International peer-review journal includes topic on radiation protection for paediatric brain CT.
