Prescription Safety Eyewear

We have teamed up with Eyelation to provide you with 24/7 access to get your prescription safety glasses onsite versus going all over town. Bring in your prescription (cannot exceed 2-years) and you are ready to place your order. Your prescription safety eyewear will be delivered to the facility within 5 – 10 business days.

What will you need to place your order?
1. A recent prescription (less than 2-years old) from your optometrist. If you do not have your prescription with you, the Eyelation can contact your optometrist, however the process will take a little longer. Please have your optometrist contact details handy to input into the system, if you do not have your prescription with you.
2. An ID card to scan into the kiosk that is pre-loaded with your information
   **Note: If you do not have an ID card, please contact Chelcia Kennedy at chelcia@uchicago.edu. If you need to contact Eyelation, their telephone number is 888-308-4713**

Where is it located?
Gordon Center for Integrated Science (GCIS)
Room 143W
929 E. 57th Street

How does it work?
Using the Eyelation Kiosk is easy! All you need to do is swipe your Eyelation ID card and follow both the on-screen and audible instructions:

Step 1 – Swipe your login card on the kiosk
Step 2 – Take your photo
Step 3 – Scan your prescription
Step 4 – Order your glasses
   - Choose your frames: A variety of frames will appear on the screen all you need to do is choose the frames that you like by clicking on them.
   - Choose your lenses: There are three choices here; you can choose Single Vision, Bifocal or Progressive lenses. (We recommend that you choose the lenses that you wear at home)
   - Choose your lens supplements: Coatings, tints, UV protection and scratch protection.
   - Choose your extras: you can also purchase some accessories from the kiosk for your lenses and glasses.

Your benefit amount is $200. In the event options chosen take the order over your benefit amount, the overage must be paid for at the time of order. This can be done at the Kiosk by swiping your personal credit or debit card. All transactions are secure.
Warranty
Eyelation eyewear is made to meet the highest standards in the optical industry today using only premium lenses. Your glasses carry a 30-day, 100% guarantee. That means if you don’t like them for any reason, you may return them to Eyelation in that period of time for an exchange or refund. This includes, but is not limited to, changes that your doctor may make to the prescription.
