Student Support Services Graduate Assistant

The Student Support Services Graduate Assistant will assist with various projects and initiatives to support first generation, lower-income, and undocumented students, including conceptualizing, planning, and coordinating programs; conducting benchmark and exploratory research on best practices and curriculum, and supporting and engaging with students, student organizations and staff related to the mission of the office, in addition to other duties as needed.

Duties include:

- Assist with planning, logistics and marketing for workshops, trainings, and other programs related to enhancing the experience of first generation, lower-income and undocumented students.
- Update and create communications, marketing, and publicity (including social media) to promote programs and resources.
- Assist with responding and outreach to students and student organizations.
- Conduct benchmark research across higher education and other networks on best practices, resources, and opportunities to support first generation, lower-income, and undocumented students.

Qualifications: Applicants for the Student Support Services Graduate Assistant position must be currently enrolled graduate/professional students at the University of Chicago in good standing at the time of application and throughout employment. Additional requirements include:

- High level of cultural competency and experience/interest in working with first generation, lower-income, and undocumented communities
- Excellent written and oral communication skills
- High level of initiative and motivation
- Ability to work independently
- Excellent decision-making skills
- Students eligible for work-study preferred, but not required.

Position Requirements: The Graduate Assistant works approximately 15 hours/week throughout the academic year. Work schedules are created based solely on class schedules and other academic obligations.

Compensation: $16.00 per hour
