UNIVERSITY OF CHICAGO · YOUNG SCHOLARS PROGRAM
TEACHER QUESTIONNAIRE – SUMMER 2022

Student Name: ________________________________________  Current Grade: __________________

Address: _____________________________________________
Street ____________________________  City ____________________________  State ____________________________  ZIP Code ____________________________

Parent/Guardian EMAIL: ____________________________________

Parent/Guardian PHONE NUMBER: __________________________________________

APPLICANT: Fill in the information at the top of this form, and then give it to your current teacher who has taught and worked with you in mathematics.

TEACHER: The student named above is applying for acceptance to the Young Scholars Summer Program at the University of Chicago. We are seeking students who exhibit superior ability or superior potential in mathematics for an exciting and demanding summer enrichment program.

PART I: The program involves mathematics lectures, problem solving seminars, and computer activities. Rate the student’s ability to handle the following demands by placing an “X” in the suitable column.

<table>
<thead>
<tr>
<th>Demand</th>
<th>Superior</th>
<th>Excellent</th>
<th>Good</th>
<th>Average</th>
<th>Below Average</th>
<th>N/A</th>
</tr>
</thead>
<tbody>
<tr>
<td>Motivation</td>

<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

PART II: Attach a letter of recommendation to this form (preferably on school letterhead, no more than a page in length) for this student. Suggested topics:

- Evaluate this student’s reasoning skills, reaction to challenges, and academic ability
- Describe an example in which this student demonstrated exceptional intellectual talent, creativity, and curiosity
- Assess this student’s ability to learn both independently and cooperatively
- Comment on the special nature of this student’s mathematical ability
- Give the name of and briefly describe the math course in which you taught the student

Name: ____________________________  Title: ____________________________
Signature: ____________________________  School: ____________________________
Email: ____________________________

Materials should be emailed/mailed by Friday, June 17.

Address:  Young Scholars Program
University of Chicago, Dept. of Mathematics
5734 S. University Avenue
Chicago, IL 60637

Email: vsp@math.uchicago.edu

THANK YOU!
