# A VOICE AS SOMETHING MORE: AN INTERNATIONAL CONFERENCE

**FRIDAY, NOV 20 -  
SUNDAY, NOV 22**

*Free and open to the public*

This conference will mark the coming of age of voice studies, from a psychoanalytically-oriented philosophical approach to a collection of material, grounded, and embodied approaches that find in voice something more substantial.

A conference of the **Voice Project**, a Neubauer Collegium for Culture and Society project.

Presented by the **Neubauer Collegium for Culture and Society**, the **Franke Institute for the Humanities**, and the **Department of Music**, with additional support from the **Departments of Germanic Studies, Cinema & Media Studies, Classics, East Asian Languages & Civilizations**, the **Japan Committee and China Committee of the Center for East Asian Studies**, the **Center for Theater & Performance Studies**, the **Reva and David Logan Center for the Arts**, and the **Film Studies Center**.
