# FIVE TO NINE

---

On The University of Chicago's campus there are over 400 student organizations, and countless events that are put on just for you! But at times, sifting through the wide array of programs can be challenging.

Well...fear not! It is our pleasure to introduce the FIVE TO NINE platform. Through FIVE TO NINE you will be able to see what events are occurring on and off campus, who is going, and create your own events. To get started simply put *[uchicago-grad.fivetonine.community](http://uchicago-grad.fivetonine.community)* into your web browser and create an account.

### **Maroon (noun)**

*ma·roon* / \ mə-ˈrūn \

Definition of maroon:

1. A UChicagoan; a member of the UChicago family. 2) Escaped slaves who fled plantations, haciendas, and colonias to form a community of their own."

Maroon Mates is the University's inaugural peer to peer mentoring program specifically for Under-Represented Minority (black, Latinx, Native American, and Native Hawaiian and Alaskan) **PhD students** sponsored by UChicagoGRAD's Graduate Student Diversity Advisory Board (DAB). DAB advises UChicagoGRAD, other graduate-serving units, and communicates among campus-wide graduate student groups to develop targeted programs and resources related to diversity in graduate education and experience. Our goal with Maroon Mates is to connect incoming students with advanced ones to foster social support and communal bonds amongst a cross-disciplinary swath of UChicago's URM PhD population. Please register your interest in participating in Maroon Mates in the below Google form. Based on your responses, we will then match mentors and mentees accordingly (<https://forms.gle/usn2JfmY1MdpY4978>)

\*Please note that the minimum requirements for mentors are to communicate with their mentees at least once a month (in person, or via Skype, email, or phone) and meet at least once per quarter in person. If you have any questions about Maroon Mates, please contact Nova Smith ([nova@uchicago.edu](mailto:nova@uchicago.edu)) or DAB ([grad-dab@uchicago.edu](mailto:grad-dab@uchicago.edu)).
