

The University of Chicago
Office of Radiation Safety
University Radiation Safety Fee Schedule

Effective 7/1/2017

Radiation Safety Service	Fee
Personnel Monitoring (Radiation Badges)	
Monthly Whole Body Badge Service	\$ 12.45 per badge
Monthly Whole Body Badge (Neutron) Service	\$ 12.45 per badge
Monthly Fetal Monitor Badge Service	\$ 12.45 per badge
Monthly Temporary Badge Service	\$ 12.45 per badge
Monthly Finger Ring Badge Service	\$ 11.60 per badge
Monthly Wrist Badge Service	\$ 12.45 per badge
Bimonthly Whole Body Badge Service	\$ 24.89 per badge
Bimonthly Ring Badge Service	\$ 11.60 per badge
Quarterly Whole Body Badge Service	\$ 37.36 per badge
Quarterly Finger Ring Badge Service	\$ 16.57 per badge
Emergency Reading or Special Processing	At Cost
Regulatory Fee - Delinquent or Late Badge Return Surcharge	\$ 16.59 per badge
Lost or Unreturned Badges	\$ 16.59 per badge
Bioassay Procedures	
Thyroid Monitoring For Iodine Uptake	No charge
Tritium Uptake Detection	No charge
Other Radioisotopes	
Conducted by ORS	\$ 96.42 per assay
Conducted by Commercial Lab	At Cost per assay
Research Laboratories Surveys	
Routine Surveys	\$ 105.99 per hour/per survey
Special Surveys	\$ 111.30 per hour/per survey
Leak Testing of Sealed Sources	\$ 79.56 per test

Radiation Safety Service		Fee
Radioactive Material Procurement Services		
Radioactive Material Package Handling	\$	63.23 per package*
<p>*A package is defined as a single line item of an order. For example, if a lab orders (2) vials of NEG513H and (1) vial of NEG512H this order constitutes 2 line items.</p>		
Radioactive Material Inventory		
Regulatory Fee: Delinquent or Late Inventory Surcharge	\$	96.42 per inventory
Regulatory Fee: Inventory Retrieval Conducted by ORS	\$	96.42 per hour
X-ray Inspection	\$	170.00 per unit**
<p>**(Charge/unit may be affected by the State regulations fee schedule)</p>		
Radiation Safety Training		
Regulatory Fee: Training Class Cancellation Fee	\$	55.70 per participant
Survey Instrument Calibration and Repair		
Annual Calibrations performed by ORS including minor on-site repairs	\$	75.00 per calibration
Recalibrations performed by ORS	\$	75.00 per calibration
Major repairs conducted on-site by ORS staff	\$	118.85 per hour
Calibrations and Repairs by Manufacturer		At Cost
Parts Needed For Repairs or Replacement		At Cost
Irradiator Maintenance and Repair		At Cost
<p>The cost per Principal Investigator for maintenance and repair is calculated using each PI labs percent usage of the irradiators and the invoice amount</p>		
General Radiation Safety Services		
Laboratories Audits	\$	116.97 per audit
Spill or Incidents Reported Promptly		No charge
Spill or Incidents Reported Late	\$	96.42 per spill
General Supplies		
Batteries		
**AA cell	\$	1.00 per battery
**AAA cell	\$	1.00 per battery
**C cell	\$	2.00 per battery
**D cell	\$	2.00 per battery

Radiation Safety Service		Fee
**9 volt	\$	3.20 per battery
**9 volt (Type 246)	\$	11.50 per battery
**15 volt	\$	6.00 per battery
**22.5 volt	\$	6.50 per battery
Survey Instrument Supplies		
Detectors		Cost per part
Cables		Cost per part
**Checksources (1 μ Ci Cs137)	\$	75.00 per source
(Checksources charged when not returned to ORS or lost)		
Waste Management Supplies		
Fiber Drums (1.3 cubic feet)		No charge
10-gallon		No charge
30-gallon		No charge
55-gallon		No charge
1.5 gallon carboy		No charge
6.0 gallon carboy		No charge
Stock Vial Box		No charge
Liners		No charge
Manifest		No charge
Miscellaneous Supplies		
**Lead Foil (per foot)	\$	10.00 per foot
Caution Radioactive Material Tape		No charge
Caution Radioactive Material Door Signs		No charge
Caution Radioactive Material Refrigerator Signs		No charge
Caution Radiation Area Signs		No charge
"No eating, drinking, or smoking" signs		No charge
Radioactive Waste Disposal Sink signs		No charge

****These fees are subject to changes without notice.**
