

## Labeling—Hazardous Waste Containers

- All waste containers shall be marked with:
  - \* The word “**Waste**”;
  - \* **Location** where the waste is generated;
  - \* The chemical **contents/constituents**; and
  - \* **Hazards** associated with the chemical(s).

- Hazardous waste labels may be:
  - \* Printed from within the EHS Assistant program ([ehsa.uchicago.edu](https://ehsa.uchicago.edu)), after you input your waste pick-up request; or
  - \* See the campus Hazardous Waste Disposal policy on EHS's website ([safety.uchicago.edu](https://safety.uchicago.edu)) for Adobe templates.
- Please affix labels to containers using printable Avery labels\* or by inserting paper labels into self-adhesive packing slip envelopes.

**Lab waste must remain in lab (i.e. near point of generation). Never relocate waste or place in corridors.**

*\*For questions about waste container labeling or to request a supply of pre-printed labels contact EHS.*
