

CONSENT IS

active

Consent means active and unmistakable agreement, communicated by words or actions, to participate in specific sexual activity.

clear

Consent is best obtained through direct communication about the decision to engage in specific sexual activity.

required

Consent cannot be inferred from a person's manner of dress or other contextual factors, such as alcohol consumption, dancing, or agreement to go to a private location.

NO always
MEANS NO,
not maybe,
and ONLY YES
MEANS YES

on-going Consent must be gained for each level of sexual activity.

All sexual interactions should occur between consenting adults.

voluntary

Consensual sexual activity happens when each participant willingly chooses to participate.
