

University of Chicago COVID-19 Vaccine Registry

Step-by-Step Instructions on How to Upload Documentation

Visit: <https://wellness.uchicago.edu/login>

Available on mobile or desktop browsers. Please have a photo or .PDF of your vaccination documentation on hand.

You will be asked to login using your CNetID and password, and to confirm your date of birth.

Please email studentwellness-notification@uchicago.edu if you have difficulty logging into the system.

Student Wellness

Welcome, please sign in.

All University of Chicago students and employees can access this site using their CNetID (accounts are automatically created for students and employees). If you receive an error message, you may need to be added to the system. Please email studentwellness-notification@uchicago.edu for assistance setting up your account. When emailing us, please include your phone number and eight-digit student ID number (employees should include their Chicago ID number, which can be found on the back of your University ID card).

The image shows the UChicago account login page. At the top, there is a red header with the UChicago logo and the text "THE UNIVERSITY OF CHICAGO". Below the header, the background is a dark, semi-transparent overlay on a cityscape image. The text "Log in to Your UChicago Account" is centered. There are two input fields: "CNetID / UCHADID" and "Password". Below the password field is a "Forgot your password?" link. A red "LOG IN" button is centered below the input fields. At the bottom, there is a note: "To securely log out, you must restart your browser." and a small orange circle with a question mark.

The image shows the UChicago Student Wellness confirmation page. At the top, there is a red header with the UChicago logo and the text "UChicago Student Wellness". Below the header, the background is white. The text "Welcome back! To confirm your identity, you must provide the following additional personal information:" is centered. Below this, the text "Please confirm your Date of Birth:" is centered. There are three input fields for the date of birth: a dropdown for the month, a dropdown for the day, and a text field for the year. Below the input fields, there are two buttons: "Proceed" and "Cancel".
