

UChicago Student Wellness

Eligibility and Covered Services

Eligibility for services at UChicago Student Wellness is based on a student being actively enrolled in an eligible program of study. Most degree programs that convene full-time on the Hyde Park campus are eligible. Students in certain registration statuses (e.g., Study Abroad, Pro Forma) are not eligible. For questions about whether your program is eligible, please contact your dean of students or call 773-834-WELL. The table below lists UChicago Student Wellness services that are covered, at no cost, for eligible students. Items not covered are the responsibility of the student or the student's health insurance provider. If you have questions about the costs of care, please ask any of our staff members. For the 2020-21 academic year, all covered services listed below are offered – either through virtual or in-person care.

COVERED SERVICES	RESPONSIBILITY OF HEALTH INSURANCE OR THE STUDENT
