How to Access Medical Services

UChicago Student Wellness Appointments 773.834.WELL or wellness.uchicago.edu/login

For appointments or medical advice, including questions about COVID-19, call or visit wellness.uchicago.edu/login to schedule an appointment. Our staff can advise whether a virtual or in-person visit is best for you.

Nurse Advice Line 773.834.WELL

After UChicago Student Wellness business hours, you can speak with an experienced registered nurse by calling the Nurse Advice Line.

HealthiestYou Telehealth Appointments

Students on U-SHIP may reach a doctor 24/7 by visiting student.healthiestyou.com/register or calling 855.866.0895.

Students not on U-SHIP can use this option for a modest fee or contact their insurance provider for a telehealth option.

Emergency Care

Students needing immediate treatment of very serious or critical conditions should contact 911 or go to the nearest emergency department. (The University of Chicago's Emergency Department is located at 5656 S. Maryland Ave.)
