If approved, you will be responsible for the full premium of the quarter in which your coverage becomes effective. Premium is not pro rated. If requesting to add due to loss of coverage, you are required to send confirmation of your termination from your prior carrier. This request cannot be processed without that information.

Premiums are assessed in 3 installments during the academic year. These charges are typically added to Autumn, Winter, and Spring bills. However, students and/or dependents beginning enrollment in Summer will be charged a Summer quarter premium.
