## Welcome, please sign in.

All University of Chicago students can access the patient portal using their CNetID (students already have an account setup, even if you haven't visited us before). If you receive an error message logging in, you may need to be added to the system. Please call 773-834-WELL for assistance setting up your account.

Students' eligible dependents can login using credentials provided by UChicago Student Wellness. You can request access during your next appointment. You can also stop by the Student Wellness Center or call 773-834-WELL and ask to sign up for the wellness portal.
